and every one prophesied that nothing but a

great majority of people in this vicinity emphatically prefer evening to afternoon concerts. "Not only will nearly every one of the 2,000 people who signed THE EVENING WORLD's petition be there, but hundreds of

others also whose work is of such a nature that they cannot possibly attend afternoon "The people of this neighborhood are greatly indebted to THE EVENING WORLD for its persistent efforts towards the improve-

ment of this park, and we hope that this con-

cert to-night will not be the last one to be held in the evening.
"In view of the fact that Bandmaster Hall is willing to play evenings the action of the Commissioners in going back to afternoon concerts after to-night, because 'it is practically impossible to give them in the evening.' strikes me as supremely ridiculous and

inconsistent.

prejudge the feasibility of evening concerts before the experimental concert to determine this question has been held? Why, the very idea of such a proceeding appears to us who live near the Park to be as nonsensical as is is surprising, and gives rise to the impression that there is a colored gentleman in the woodpile somewhere. "As I said before, the people will show by

"Then, too, why should the Commissioners

their presence to-night, if weather permits. that they want evening concerts. There is no well-founded objection to the change, and the request of the majority should be granted at once and for all time." An EVENING WORLD reporter met Band-

master liali this morning just as he was about starting for the rehearsal of his band. He resterated the deciaration printed in yesfeetly willing to play at evening concerts, and "I was fearful at first that I would be unable to play myself or to secure muricians

"The people seem to want evening concerts and unquestionably their desire should

missioners this afternoon that I am perfectly willing to play evenings." Now that the only objection to the change has been removed, it is thought the Park yesterday and immediately decide that even-

SURE THE TRAIN WOULD STOP.

Q. That accounts for the sbure they received after their surrender. Why were they met with regarded as atmed and is awfed invaders, as allies of the capitalists.

Q. Did the mea know that the Pinkertons would guard the mills and is that way permet them to be quired to pay a tax on all dividends declared specially neumnton laborers? A. Ves. sir. special by neumnton laborers? A. Ves. sir. special for the away of dollars have thus been turned into the NRGHES.
